# Informed Consent Form

FORM 2 OF 3

This form describes in detail how the study works and your role in it. Your signature means you understand and agree to participate.

## BEFORE YOU SIGN, YOU SHOULD KNOW

- 1 This study aims to advance understanding of how activity and your habits can contribute to a healthier heart.
- 2 As a participant, you'll be asked to complete occasional, short surveys and record your workouts on your Apple Watch.
- 3 The study will last at least 5 years. You'll be asked to renew your consent every 2 years.
- 4 Participation is voluntary. You can leave the study at any time and stop sharing your data at any time.
- 5 The study will do its best to ensure your data is kept confidential and secure. As with all studies, complete confidentiality cannot be guaranteed.

### audio

- probably a better way to convey a speaker's personality
- can teach the pronunciation of words
- can enhance the user experience, a classic study had users claiming that the graphics were better on a video game that had better sound but the same graphics than another.
